

Expand your showroom by using the power of the “endless aisle”

The Wondersign Catalog Kiosk is the virtual extension of your physical showroom and adds thousands of products you would otherwise not be able to accommodate in your physically limited space. The Catalog Kiosk is always up-to-date so there is no need to reprint paper catalogs when products change. Discontinued items are removed automatically so you only show what’s really available!

22" All-In-One Catalog Kiosk
